

YOUR SUPPORT WILL HELP!

When you partner with Lifeline, you ensure that the young woman who finds herself pregnant and alone has a place to turn; the young man who learns that he is going to be a father has a place to learn what that really means; the teen parent who feels isolated finds a community of support; students in middle and high schools across Northeast Missouri are provided with abstinence education; and the smallest of babies is given a chance at life. Life begins . . . or ends with YOU!
